

PUBLIC NOTICE

REQUEST FOR INFORMATION FOR NATIONAL INTEGRITY SURVEY

The Inspectorate of Government (IG) is conducting the Fourth National Integrity Survey, 2019 in collaboration with Uganda Bureau of Statistics (UBOS), to collect information on incidences of corruption, mal-administration and unethical conduct of public officials. The information gathered will be used to formulate and implement strategies to improve governance and reduce incidences of corruption and mal-administration in Uganda.

The survey will be conducted at the national, regional and urban-rural level to ensure adequate representation of the diverse geographies and population groups in the country.

The Uganda Bureau of Statistics is coordinating a team of Research Assistants who are collecting the data. The team will visit selected households for the information.

The Inspectorate of Government calls upon you to provide the necessary information to the Assistants when they visit your communities.

**As citizens it is your cardinal responsibility to combat
Corruption.**
