PUBLIC NOTICE

CLARIFICATION ON RECENTLY ADVERTISED VACANCIES AT THE INSPECTORATE OF GOVERNMENT

It has come to the attention of the Inspectorate of Government (IG) that there are some emails that have been circulating appointing people to positions in the IG that were recently advertised on the IG website, newspapers and social media platforms on 11th September, 2023.

This is to inform the applicants and the general public that these emails are not from the IG. They are therefore fake and should be disregarded.

Following the advertisement of vacancies for the different positions, the IG would like to inform the applicants that in line with our Human Resource Policy, the procedure for notifying applicants is as follows:

- a) The list of shortlisted candidates will be officially published on the IG website www.igg.go.ug in the first week of November 2023.
- b) The shortlisted candidates will be required to pick their letters from the IG Head Office on Jubilee Insurance Centre, Plot 14 Parliament Avenue informing them of the next step.

Please note that **only** shortlisted candidates will be notified. Thereafter they will be subjected to a rigorous interview process after which they will be officially notified of the outcome.

Please verify all information related to your application with our Human Resource Office on telephone No. **0414 230393** or email hadongo@igg.go.ug or amwembe@igg.go.ug or pr@igg.go.ug.
