PUBLIC NOTICE

IG SHORTLISTING PERIOD FOR RECENTLY ADVERTISED VACANCIES STILL ONGOING

In reference to our Public Notice dated 2nd October 2023, where we had promised to release the shortlisted candidates for the recently advertised vacancies in the first week of November 2023, the Inspectorate of Government (IG) informs the applicants that the shortlisting period is still ongoing.

This is due to the high number of applications we received for the various vacancies.

Once the shortlisting exercise is finalised, the shortlist will be officially published on the IG website www.igg.go.ug. The shortlisted candidates will be required to pick their letters from the IG Head Office on Jubilee Insurance Centre, Plot 14 Parliament Avenue informing them of the next step. Please note that only shortlisted candidates will be notified.

Thereafter they will be subjected to a rigorous interview process after which they will be officially notified of the outcome.

For any inquiries, please get in touch with our Human Resource Office on Telephone No. 0414 230393 | Emails hadongo@igg.go.ug, or amwembe@igg.go.ug or pr@igg.go.ug.

We regret any inconvenience this may have caused to the applicants.
