

Dear All,

I am writing to officially inform you about the end of my tour of duty at the Inspectorate of Government.

It has been a great learning experience for me to head this institution. I have made a lot of friends and acquaintances and expanded my networks, and so my sphere of influence.

For those that I have helped to grow and excel, I thank God for it is He that gives us the grace to serve. For those who felt I did not address all their concerns in the way that they would have wanted me to, I apologize for my inability to come up to your expectations.

I leave IG with fond memories for it has had a lasting impact on my career as a legal practitioner. The world is now a smaller place; I know that I will meet some of you along life's path.

Finally, I wish you all God's blessings as you continue to serve our nation and grow this great institution,

For God and my country.
